

An aerial, high-angle photograph of a densely populated city, likely Washington D.C., showing a vast expanse of buildings and streets. In the bottom left corner, the large, white, domed structure of the U.S. Capitol building is visible, partially obscured by trees. The word "Exhibition" is printed in a white, italicized, serif font in the middle-right portion of the image. The overall color palette is a monochromatic blue-grey.

***Exhibition***

# Exhibition

The Exhibition of the XI<sup>th</sup> PIARC Winter Road Congress will be held concurrently with the Fuyu Topia Fair at the same site. The exhibitions range from those on snow removal and snow melting on roads to those on snow blowing countermeasures, traffic safety, the environment and ITS.

## Exhibition Opening Ceremony

The Exhibition Opening Ceremony and the Welcoming Reception will be held at the Sapporo Dome Arena.

**Date: 6:30 p.m., 28 Jan. (Mon.), 2002**
